**Striving
For
Excellence**

Prospectus

Introduction

Our Primary and all-encompassing objective is the all round development of the child's personality and character, for we firmly believe that every thing flows from this foundation. We believe that training in self-restraint, punctuality, and obedience, Courtesy and the ability to distinguish between right and wrong ultimately leads to the development of that all-important asset that is self-discipline.

In addition to our academic excellence, the vibrant Co-curricular program of the school provides numerous opportunities for students to discover and nurture latent talent in a wide range of activities. Through this program self-confidence and leadership skills are developed, and the physical, spiritual aesthetic and cultural aspects of our students personalities are strengthened. Sport and games play an important role in school.

- To implement a curriculum that empowers each student to master the skills needed to reach his or her optimum learning level.
- To make awareness in every member of our school community the immeasurable value of service of others, locally and globally.

Partners In Dream

Parents

As parent, you are the first teacher and the most important influence on your child's growth and attitude towards learning. At Sky we always emphasize on strengthening the home - school connection that will inculcate a value system

in your child; enhance his/her learning capacity and pace and teach him important life-skills from an early age. Keeping 3-way communication channel open between students, parents and mentors ensures two things; one that parents get to play a direct and active role in their child's growth and two, a message is conveyed to the child that school and education are extremely important.

Teachers

We as teachers, in whose care you place your child's early learning, take things forward; wearing several hats on the way; that of a guide, friend, & sometimes even of a parent and remain with them at every step of the way, facilitating new experiences, opening windows to the new world for them.

Community

Learning is not just about what happens inside the school or home. Children also learn a lot from the society where they live-in along with their friends. We understand it and provide platform for the positive exposure of children with the community around by field trips, undertaking social initiatives, sharing current affairs and most importantly arranging the interaction of students with experts and institutions in the community to enrich the learning experience and keep them wanting more.

Curriculum

At The Sky International School CBSE curriculum is tailored with a multidimensional child centric approach, which is both interactive and pragmatic. our curriculum, both in terms of content & methodology, is 21st century relevant and meets the highest learning standards; and is followed by 4 lac students in more than a 1000 Indian schools.

Comprising a dynamic and colorful potpourri of academics, sports, performing arts, fine arts etc. Our curriculum is aimed at developing creativity and exposing kids to varied educational experiences preparing them to face the future challenges of globalized economy. Our well occupied laboratory and library helps children to experiment and learn the classroom lessons We nurture children to be confident, self-sufficient, have independent thought process and a never-ending urge for learning.

Co- Curricular Activities

In our aim to develop love of learning in children that'll last through their lives, we offer a broad curriculum that includes a wide range of extra-curricular activities besides academics. Physical and mental development is intended to happen in tandem through indoor and outdoor sports, dance skating, free play, music lessons, dramatics etc.

Specialized professionals and coaches mentor the child in all co-curricular activities and ensure that nobody is burdened or over scheduled. Mentors also ensure that activities push kids in the right direction, promote real world experience, foster friendship camaraderie, team work, healthy competition, build self-esteem etc.

Games & Sports

We believe that sports is an invaluable lesson in the value of leadership, obedience, perseverance sportsmanship, sportsmanship and team spirit. These qualities are closely interwoven in the school curriculum. School provides students with ample opportunities in various games and sports under the guidance of physical education teachers and coaches. **"A healthy mind is situating in a healthy body"** For the fitness of body and mind of our students we are conducting Marital Art and Yoga classes every week. We are providing our students the facility to experience horse riding as part of sports.

Other Activities

We provide our students ample opportunities to participate in various activities and competitions. Along with the efforts at providing sound curriculum we discover students' talent through various activities and competitions like recitations, quiz, essay writing, craft etc. Every Saturday we are conducting activities. We are celebrating colour days like blue, yellow, red etc. in preprimary to make them differentiate and understand the colours and we celebrate all National Holidays like **Independence Day, Republic Day and Gandhi Jayanti**. Irrespective of religions we celebrate all the religious festivals to make our children understand and get the value of the Unity in Diversity.

METHOD OF TEACHING

Playway method for Nursery classes and interactive method for other classes. Visuals are having more impact than speeches on the children, so we are providing **Smart classes** for all the subjects.
